Horticulture Rules

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on-scape.
2. The Committee recommends that all registered cultivars are to be entered on scapes not exceeding 36 inches. However, the exhibitor may choose to enter a taller scape proportionate to its branching or bloom size. All exhibits must be balanced and stable in the container to prevent damage to other entries.
3. All seedlings (including pre-registered cultivars) shall be severed as close to the base as possible, regardless of height. A seedling having won the AHS Rosette in any other show is not eligible. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
4. Eligibility for exhibitors in the Youth sections shall continue through the end of the calendar year following the youth's eighteenth birthday.
5. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to *Multiform Classification Code* on page 3.)
6. Cultivars whose names are **not** listed in the AHS checklists or supplements may **not** be exhibited in any Division, Section, Class or Group where registered cultivars are specified.
7. Popularity Poll cultivars must be exhibited **only** in Section 9 unless they are Youth exhibits.
8. Unusual form cultivars, registered as such, must be entered in Section 7 and only those listed on the official UF list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to *Multiform Classification Code* on page 3 of this schedule.)
9. Exhibitors who have never won a blue ribbon in a Horticulture Section of an AHS accredited show are eligible to compete for the Novice Award. The exhibitors must indicate their eligibility by writing in and circling the letter *N* at the top left side of the entry tag.

Judging Standards for Accredited Show

1. All judging of an accredited show will employ AHS Standards.
2. All horticulture sections must be judged by AHS Exhibition Judges.
3. Each panel of judges shall be the **final authority** for each section and group in which it judges.
4. Only the Classification Chairman has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS Scale of Points will be used for (1) Registered cultivars on-scape, (2) Seedlings on-scape, and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS Rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling), shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.
11. If Division I, AHS Rosette eligible Sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

Multiform Classification Code for Shows

Before 2008, polymerous flowers were exhibited in the corresponding single-flower sections by size. Even though these and multiform flowers are relatively few in numbers, they and multiform flowers are now exhibited as indicated below. In order to assist Classification Chairs in determining where to place them in a show, a Multiform Classification Code has been designed. A show section may be subdivided into classes if enough cultivars are entered to warrant it:

Registered as:	Section:
Double/Spider Flowers	Double and Polymerous Flowers
Double/Unusual Form Flowers	Double and Polymerous Flowers
Double/Polymerous Flowers	Double and Polymerous Flowers
Double/Spider/Unusual Form Flowers	Double and Polymerous Flowers
Double/Spider/Polymerous Flowers	Double and Polymerous Flowers
Double/Unusual Form/Polymerous Flowers	Double and Polymerous Flowers
Spider/Unusual Form Flowers	Spider Flowers
Spider/Unusual Form/Polymerous Flowers	Double and Polymerous Flowers
Spider/Polymerous Flowers	Double and Polymerous Flowers
Unusual Form/Polymerous Flowers	Double and Polymerous Flowers
Polymerous Flowers	Double and Polymerous Flowers

- One Second (Red) scores 85 or above.
- One Third (Yellow) scores 80 or above.

For registered cultivars, only one blue, one red, and one yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

Major Awards

The AHS Purple Award is awarded to each blue ribbon winner scoring 95 points or above in Sections 1 through 10 of Division I.

The AHS Best in Section Rosettes are awarded to the most outstanding purple ribbon winning entry in Sections 1 through 10 of Division I.

The AHS Tricolor Rosette is awarded to the best design in Division IV, Section 1, scoring 95 points or more. This entry qualifies to compete nationally for the AHS Tricolor Medal.

Special Horticulture Division Awards

The AHS Achievement Medal will be awarded to the originator of each collection of scapes in Division I, Section 11, scoring an average of 90 or more points, and which, in the opinion of the judges, shows adequate merit and **distinctiveness** as compared with existing cultivars. The cultivar must be a seedling or pre-registered (a pre-registered cultivar is considered a seedling). Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores.
