

2007 FALL GUEST PLANTS DUE BACK FOR AUCTION

Come ready to bid for an impressive assortment of guest plants being returned for auction on August 14th. Remember, our plant auctions fund the purchase of future member guest plants.

Plants coming back for auction include drawing plants passed out in Fall 2007 as well as cultivars not returned to previous auctions (**shown in bold**). If your name appears on the list, get out your shovel and dig the listed guest plant(s) you've been growing the last few years. **The plants should have a plant marker that reads "MCDS FALL 10"**. PLEASE BE CAREFUL AND DIG THE CORRECT PLANT(s). DON'T GUESS! We want our buyers to be confident they are buying a cultivar true to name.

After digging, **be sure to completely wash all dirt off (DO NOT POT THE FANS), trim the foliage, and tag each fan with the cultivar name AS WELL AS YOUR NAME.** You should dig your guest plant even if it has only increased to 2 fans. Keep one fan for your garden and return all other fans. If you can't bring your plants back personally, send them with another member. If you know someone on the list who's no longer a member, offer to bring their plants back to the auction for them. And if the plant has died or not increased to 2 fans, please let Bill Johannes know at 614-486-7962 or e-mail him at wjohannes@sbcglobal.net !
