The garden contains many newer (2005/2006) cultivars hybridized by Stamile, Gossard, Trimmer and others. The garden has quite a few companion plants and many shade trees.

The garden is open by appointment only and Bob does sell plants. Contact Bob at 740-392-9766. He is located at 8100 Bishop Road, Centerburg, Ohio, 43011.
